

Job Description 7.9/15

Join Arapahoe County's Open Spaces Department and help preserve natural areas, enhance neighborhood and regional parks and build and maintain trails for the citizens of Arapahoe County.

We are seeking an **Open Spaces Maintenance Technician** to perform a wide variety of duties providing maintenance and stewardship of Arapahoe County's Open Spaces including landscaped areas, trails, fences, trailheads, parking areas, and ensuring that safety concerns are immediately addressed.

This position is eligible for medical, sick and vacation as well as a host of other benefits.

If you are a hard worker with some background in park, open space, trail or landscape maintenance and your dream is to work outside enhancing the environment for the citizens of Arapahoe County, we are looking for you!

Our anticipated hiring range is \$1,271.89 to \$1,499.27 bi-weekly (approximately \$15.89 to \$18.74 per hour).
